Who Are We?

Established 2003.

A member of the **Ferndale Pharma Group**, a family of healthcare companies and the **exclusive UK partner** for **Cantabria Labs**.

We are passionate about **skin health, beauty** and **well being**.

Our Vision

To be the best possible provider of niche topical medical and dermatological skincare products to healthcare and dermatology professionals, skin professionals, skin enthusiasts, patients and consumers across the UK.

Business Units

We work across 3 business areas, each focused on the customers we serve and the brands and products that are relevant to them. Enabling us to support them to the highest level.

Medical

Niche topical medicines with a focus on LMX4 4% w/w Cream to treat skin pain associated with needle and skin surface procedures.

We partner with the NHS, private healthcare, and medical aesthetics clinics to improve patient health and their quality of life.

Health & Beauty

Cantabria Labs dermatological skincare expertly researched and developed to deliver proven results.

We nurture and support communities of dermatology experts, skincare enthusiasts, dermatological skincare retailers and skin-savvy consumers.

Aesthetics

ALLSKIN | MED from Cantabria Labs professional dermatological skincare researched and developed to deliver proven results exclusively for aesthetic clinics and their patients.

We work with aesthetic skin clinics and professionals to enhance their skin and hair treatment outcomes and their patient's well-being.
